

Appendix 1: Questionnaire

Version 1.2

Thank you again for taking part. Before we begin, we would like to remind you that this questionnaire may cause you some distress if you have ever lost a child or wife/partner during pregnancy or labour, but if you have and are still happy to complete this questionnaire, you are welcome to. We would, however appreciate if you told us whether or not this is the case, to try and cause minimal upset.

Have you ever lost a child or wife/partner during pregnancy or labour, and if so, how long ago?
